**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have optic fiber from Sonic.net.

Its cheaper and faster than DSL.

I had endless downtime with ATT, there were always problems and to get it fixed you talked to India.

There were problems in the building I live in because the internet was running on telephone connections installed 80 years ago.
Sonic put in fiber optic direct to me, all new.
